

## NOTE INFORMATION

**Of equipment manual for Individual Protection**
**Article: Noe Reads Composition Quilted polyester fabric**
**N° order:**

Thank you for using a protective garment from our range. The materials used guarantee protection against the cold. This garment complies with EN 14058 : 2017, i.e. protection against the cold.

To make it easier for you to understand the label affixed to your article, we detail the meanings of the pictograms.

**A** A: Thermal resistance (insulation) class 1 to 4 according to EN 14058

The number of cleaning cycles is not the only factor related to the life of the garment. Its life span also depends on its use, maintenance, storage conditions etc.

**Usage :**

It is the responsibility of each user to wear this high visibility protective equipment in compliance with the obligations inherent to work on roads:

- Unfold the garment
- Close the garment using the system provided.

**Warning against misuse:**

This garment is designed to be fitted inside a garment with a Zipal kit. It is not intended to be worn alone. Dispose of this garment properly at the end of its life. In some cases, the textile materials can be upgraded.

**Storage:** This garment should be stored in a dry, ventilated place away from light to avoid colour changes. No complaints regarding this problem will be accepted.

**Care:** Care must be in accordance with the label on the garment. Attention if you have a garment made up of two items (parka + cold waistcoat), check that the care pictograms are identical or otherwise wash them separately or take the gentlest instructions.

Gives the maximum washing temperature with less spin

Do not bleach

Moderate drying at 60° C

Soft ironing

Dry cleaning allowed

According to EN ISO 13688: 2013
